(Intense Program)

Master Thesis Adviser Agreement

I, _____, the master candidate and undersigned, hereby invite Professor _____ to be my thesis advisor and agree to obey the following terms and conditions:

1. I am not allowed to change my advisor except under special circumstances. For a change of advisor, a written statement of consent must be obtained from the original advisor and submitted to International Graduate Program of College of Computer Science.
2. I am not allowed to change the direction of my thesis without the written consent of my advisor. My research direction is [_____] and submitted to International Graduate Program of College of Computer Science.
3. Prior to the oral examination for thesis defense, I am required to (1) provide a written description of the primary contents and primary scholastic contributions of my thesis and, (2) based on above, request my advisor to recommend me for thesis defense to the Department and Institute. Otherwise International Graduate Program of College of Computer Science will not schedule me an interview for the oral thesis defense.
4. I am required to abide by my advisor's supervisory requirements and guidance. Otherwise my advisor may terminate the advisor/advisee relation upon informing International Graduate Program of College of Computer Science and request International Graduate Program of College of Computer Science to inform me of such a measure.
